My dear Professor Goldzicher

would you be willing to write the article
"Arabia - Jews in" for our Jewish Encyclopaedia? We could devote at least two pages, or 2000 words to the article. We should want the article to be Comprehensive in character, with cross-references to the various articles which would supplement the general one. There will be, of course, quite a number of such articles as Dhu Nuwas, King Antioch, Muhammad, Islam. This will give you an idea of the general scope of the Comprehensive article. I trust you will be able to say

Yes. we should need the article of the 1st
of January next.

M^{rs} G^othheil wishes me to send you
her sincerest regards. Up to August 20th
my address will be

Hotel des Trois Rois
Basle, Suisse.

Believe me to be

Very Cordially yours

Richard G^othheil
