Honored Colleague:

In reply to your favor permit me to say that I am very glad that you found Mrs. True's letter and the printed material of interest & feel sure that Mrs. True sent

the documents for  
you to keep.

We have had a  
delightful stay in  
California, but expect  
to be back in Cambridge  
before long.

With kind regards  
and best wishes,

Cordially yours,
