Thank you very much for the copy of your review which you have so kindly sent me. I had already read it and with how great pleasure you know. Now I am glad to have it separate to put in my collection of reviews where it takes easily the first place. I thus have it ready for use if my book ever gets to a second edition.

Just now I am preparing a lecture on the moral training of the young in Islam. It is a hopeless subject but it has been given to me and I must go through with it.

Faithfully Yours,  
Duncan B. Macdonald
