Budapest, (13. nov.

1904.

Dear friend, This moment I get the included letter of Mr. F. Madler in answer to a letter sent to him regarding the photos of the Golland-Manuscript.

If I am not mistaken I promised you something about teachers or Pedagogy in Islam; but I cannot remember exactly the object of my promise. Pray, be so kind, to bring to my memo-

ry the date wanted by you.

With many compliments to Mrs.  
McDonnell

yours faithfully
