Dear Dr. Goldzyker.

I beg to thank you for your second post-card and for the advice you so kindly gave me therein. I will prepare the list of corrections & the index as soon as possible. I have written to Harrassowitz, to arrange for the publishing of it.

Mr. Arnold thanks you for
your kind message and joins me
in kind remembrances to Madame
Goldziker and yourself. We hope
on some more favourable occasion to
renew the brief acquaintance we
formed in Rome.

Yours sincerely
T. W. Arnold.
