استاذي المكرم المحبوب

It is after a long and weary interval that I find an opportunity of writing to you again. How often have I asked for news of you during these last 5 years of misery, - from Snouck Hurgronje & from friends in Germany! and how often have we, your friends in this country, Browne, Lyall and others, spoken of you! It is a blessing to us all that you have come through this cruel ordeal, - but at the cost of how much suffering. I was very grieved to learn from Professor Zahuda of the great sorrow that has befallen you in the death of your daughter-in-law.

My wife wishes to join with me in the expression
of our deep sympathy with you + Madame Goldziker in
your sorrow.

I enclose a notice of the Browne-
Festschrift. Your contribution to the volume
will be very welcome and will (I am sure)
please him very much.

I have been reading, with much profit, your
"Stellung der alten islamischen Orthodoxie zu den
antiken Wissenschaften," a copy of which I have
just been able to obtain, now that postal
communications with Germany have been renewed.

Sir Aurel Stein will arrive here shortly
from India; he proposes to visit his sister-in-
law (whom he has not been able to see since the
war broke out) in the Tirol.

With kind remembrances,

Yours ever

T. W. Arnold.
